Honorable Mayor and City Council
City of East Ridge, Tennessee

SUBJECT: City Manager’s Proposed Budget for Fiscal Year 2023-2024

Mayor and City Council:

We are pleased to submit for your consideration the recommended budget for Fiscal Year 2023-2024 (July 1, 2023 to June 30, 2024) for the City of East Ridge. The budget document includes the revenues and expenses necessary to maintain, and in some areas, improve the current levels of municipal services.

The annual budget document has been prepared in a format used in prior years. There are four (4) columns of numbers on each revenue and expenditure detail page: actual revenues/expenditures for the last fiscal year; the forecast budget for Fiscal Year 2022-2023; the approved budget for Fiscal Year 2022-2023; and the proposed budget for Fiscal Year 2023-2024. The budget for the upcoming fiscal year is balanced; with projected income matching anticipated expenditures.

The City of East Ridge operates with nine (9) separate funds. A new fund (American Rescue Plan) was created this fiscal year to account for the activity of the funds received from ARPA. Each fund is a separate accounting entity with revenues and expenditures. The funds fall into different categories, or types of funds, as required by General Accepted Accounting Principles (GAAP) for governmental entities; and they are as follows:

General Fund

1. General Fund

Special Funds

2. State Street Aid Fund
3. Grant Fund
4. Drug Investigation Fund
5. Economic Development Fund
6. Solid Waste Management Fund

Debt Service Fund

The Proposed all Funds Budget for Fiscal Year 2023-2024 is \$47,858,374. This represents a net increase of \$19,207,170 from the approved FY 2022-2023 budget of \$28,651,204. A synopsis of the total all funds budget would be pictured as follows:

GENERAL FUND

The General Fund is a service organization involved with providing traditional and familiar services to the entire citizenry; and simply stated, it represents the expenditures for governmental services normally associated with local government. These include general administration, police protection, fire protection, animal services, economic development, building maintenance, building inspection and codes, municipal court, street maintenance, traffic control, public parks and facilities, recreational programs, and library. The expenditures, largely salary, are susceptible to inflationary increase and the revenues for the upcoming fiscal year show positive growth.

REVENUES

Property Taxes

The Fiscal Year 2023-2024 General Fund (operating budget) proposes a millage rate of 1.25, the same rate that was levied the past fiscal year. The preliminary assessed valuation provided by Hamilton County Assessor of Property as computed to the City in August 2022 totaled \$529,571,102. Adding to this valuation, the assessed value of several major developments that will fully come on line in FY 23-24 (East Ridge Wine and Spirits, Towne Place Suites, Twin Peaks Restaurant, Candlewood Suites, TPC Printing, Home 2 Suites, Park Ridge Medical Center, and 40 plus new homes primarily in the Hummingbird Subdivision) and generate property taxes, the assessed value will reflect a preliminary increase of about \$12,482,310 (new construction) for a grand total of \$542,053,412.

However, the personal property assessment must be discounted by 30% because 2023 is a ratio year for Hamilton County. The discount is based on the value of home sales increased over the past two (2) years and that ratio is applied to the personal property assessments. Therefore, the recalculated assessed valuation would total \$536,230,812 (the increase in the assessed value of \$12,482,310 less the 30% discount on personal property of \$5,822,600). In summary, the City's assessed valuation increases approximately 1.26% from FY 2022-2023 to FY 2023-2024; and thus the City's tax base grows.

The tax levy with the specific rates and distribution would be as follows:

	Assessed Valuation	Proposed Millage Rate	Collection Rate (98%)	Estimated Revenue
General Fund	\$536,230,812	1.25 (per 100)	\$6,702,885	\$6,569,000

Other Revenues

The total “other revenues” (less property taxes and Border Region District sales taxes) anticipated for the 2023-2024 proposed budget year computes to be higher than the same revenue budgeted for the 2022-2023 budget year (a plus \$1,085,965).

The Local Option Sales Tax and the State Sales Tax are anticipated to yield an estimated plus \$500,000 and \$166,585 respectively over last year’s budgeted figures. The overall increase in these sales tax revenue sources are due to an anticipated and moderate increase in the retail sales that will be yielded throughout the City; most particularly from the retail businesses that generate sales tax from groceries, food, alcohol/beer, and supplies and commodities (restaurants, grocery stores, hotels, etc.) and the proposed new retail construction that are currently under construction and will come on line in the upcoming fiscal year.

Other projected revenues are expected to remain relatively the same (or a small variance) in the 2023-2024 proposed budgeted year as compared to the 2022-2023 budget year with exceptions to the following revenue streams:

- **Business Tax – State Net Allocation:** An increase of \$40,000 due to an increase in the number of businesses locating in East Ridge.
- **Alcoholic Beverage Tax:** An increase of \$190,000 due to an underestimation of this revenue source since FY 2022-2023 was the first year of collection and there was no historical data available to draw upon.
- **Building, Electrical, Plumbing, and Mechanical Permits:** An increase of \$56,000 due to a significant increase in building activity within the City (hotels, restaurants, and single-family homes/townhomes).
- **State Mixed Drinks:** An increase of \$20,000 due to additional restaurants serving mixed drinks and an increase in personal consumption.
- **Recreation Program Fees and Facility Rentals:** An increase of \$61,715 due to a greater participation in programs and league play, and an increase in the use of the recreational facilities (arena and community center) for special events and programs.
- **Cable Franchise Fee:** A projected decrease of \$60,000 due to a decline in traditional cable TV subscriptions.

In summary, the total projected revenue schedule is one which is felt to be diversified, equitable, and realistic in the terms of services offered.

General Fund Balance

It is important to note that the general fund “unassigned” fund balance for the fiscal year ended June 30, 2022 totaled \$8,958,263. The general fund anticipates an overage (revenues over expenditures) of \$2,541,540 (unaudited) for the fiscal year ended June 30, 2023; therefore, the “unassigned” fund balance will total \$11,499,803. However, there were several unbudgeted appropriations paid from the fund balance during the 2022-2023 fiscal year, sanctioned by the City Council, that must be accounted for being: a 50% prepayment on the purchase of a Fire Truck in the amount of \$420,431.50 and the payment to Hamilton County for emergency medical services for the 2022 calendar year in the amount of \$149,056. Thus, the balance of the total “unassigned” fund balance is reduced to \$10,930,315.50 (unaudited).

Pursuant to the City’s Fund Balance Policy, the City shall maintain a minimum fund balance (reserve) in the General Fund to an amount equivalent to not less than four (4) months of the general operating expenses of the General Fund. The monthly general operating expenses computes to approximately \$1.25 million; therefore, the minimum fund balance would equal \$5 million.

EXPENDITURES

The proposed budgeted expenditures for Fiscal Year 2023-2024 is expected to be \$2,713,823 above the Fiscal Year 2022-2023 approved budget, representing an increase of 11.6%. In general terms, the personnel costs (salaries and fringe benefits) increased modestly; operations expenses decreased slightly; materials/supplies increased modestly; and capital outlay showed a slight increase. The major variances were seen in the transfers to other funds (elaborated later in this budget message).

Personnel Costs

The personnel costs (salaries and fringe benefits) in the proposed 2023-2024 budget year will equal approximately 67% of the total General Fund (operating budget), less the transfers to other funds. Due to the fact that we are a “service-oriented organization”, the number of personnel available to perform the various services is somewhat critical, if the current level of municipal services to the community is to be achieved. This proposed budget will add personnel to fire, police and recreation due to the growth in the community (commercial and residential); and further, will provide a slightly greater level of service to the organization and the City of East Ridge.

The total personnel count for the overall budget program (all Funds) proposed for Fiscal Year 2023-2024 is 150 full-time positions and 26 part-time positions; 7 full-time positions more than

the previous fiscal year (2022-2023). For the General Fund Budget only (excluding Sanitation), the total personnel count is 137 full-time positions and 26 part-time positions; 7 full-time positions more than the previous fiscal year (2022-2023). A more comprehensive listing on personnel is outlined at the end of this budget message.

Major increases in the personnel costs (salaries and fringe benefits) can be summarized as follows (2023-2024 proposed budget over the 2022-2023 adopted budget):

- **New Personnel-Personnel Services:** Six (6) new Firefighter positions are proposed for the Fire Department for assignment to Station 2 to bolster manpower from 2-4 firefighters on a shift. One (1) additional Police Officer is proposed to serve as a Training Officer to handle and oversee the state mandated training of the existing certified officers, all reserve officer positions, and any training required for onboarding officers. One (1) additional Recreation position is proposed to serve as a Recreation Athletic Coordinator to provide assistance in youth athletic programs and activities. A clerk position in the Municipal Court has been eliminated due to a reduced workload.
- **Salaries:** A cost of living adjustment (COLA) is being proposed in the form of a 4% across the board increase in salary for all employees.
- **The Bridge Plan:** The implementation of The Bridge Plan (an enhanced retirement benefit) for Public Safety Officers (Police Officers and Firefighters) to become effective on January 1, 2024. Currently the Cities of Collegedale, Signal Mountain, and Soddy-Daisy and Hamilton County have incorporated the Bridge Plan into their Public Safety Departments. The total appropriation would be approximately \$75,000 for half a year.
- **Police Officer Raise:** A raise in pay for all sworn Police Officers in the amount of \$3,000 in order to raise their salaries to be commensurate with and competitive with other Hamilton County Cities (Chattanooga, Collegedale, Red Bank, and Soddy-Daisy and Hamilton County). The total appropriation would be approximately \$150,000.
- **Salary Adjustments:** Salary adjustments in the amount of \$28,000 to be administered to various full-time positions (8) and part-time positions (12).
- **Education/Training (All Departments):** An increase in appropriation of \$21,250 primarily in the Police Department, Fire Department, and Animal Control due to an increase in the hiring of a new Police Officer and Firefighters (police and fire training) and the training and certification of the Animal Control Officers.

Operational Expenses

Several of the major and noteworthy increases and decreases are seen in the following accounts:

- **Contract Services (All Departments):** A significant increase in appropriation of \$37,350 due to an increase in contract/professional services.
- **Clothing/Uniforms (All Departments):** A substantial increase in appropriation of \$38,100 due to an increase in replacement uniforms for employees; primarily in the Fire

Department due to new and replacement bunker gear and uniforms for new firefighters, and in the recreational sports programs for uniforms.

- **Operating Supplies (All Departments):** A large increase in appropriation of \$39,000 due in most part to increases in Streets (supplies and equipment), in the Arena (replacement tables and chairs), and in Soccer (additional soccer goals).
- **Electric (Various Departments):** A modest increase in appropriation of \$23,950 due to an increase in power charges and power usage.
- **Water and Sewer (Various Departments):** A moderate increase in appropriation of \$24,180 due to an increase in water and sewer charges.
- **Grounds and Maintenance (Recreation):** A modest increase in appropriation of \$18,000 to fund the maintenance and grooming of fields at Camp Jordan (laser grade 4 softball/baseball fields).
- **Fuel (All Departments):** A moderate increase in appropriation of \$17,157 due to the anticipated increase in fuel costs (predominately in the Police Patrol account).
- **Machinery and Equipment (Fire and Animal Services Departments):** A substantial increase in appropriation of \$26,800 due to rescue tools for the new Engine (Fire) and radios and laptops (Animal Control).
- **Equipment Repair and Maintenance (Streets):** A modest increase in appropriation of \$19,500 due to the increase in the repairs and maintenance service to heavy equipment (backhoe, skidsteer, and boom mower).
- **Officials/Referees/Umpires (Recreation):** A slight increase in appropriation of \$13,900 due to an increase in team play and an increase in games.
- **Engineering Services (Building, Codes, and Planning):** A significant decrease in appropriation of \$30,000 due to a reduction in the need for this service for this department.
- **Splashpad Supplies and Equipment (Community Center):** A reduction in appropriation of \$17,000 due to reduced need for supplies and equipment for the 2nd year of operation.
- **Elections (Mayor and City Council):** The elimination of the appropriation of \$6,300 due to no municipal election being held in FY 2023-2024.

Capital Outlay

The cost of capital outlay for FY 2023-2024 is proposed at \$580,200, and an explanation of the various capital outlay items is elaborated below.

It is advisable, as well as extremely important for a City, to undertake and maintain an ongoing viable capital outlay program yearly because those costs in total are usually the heaviest faced in any budget document. Proper scheduling of capital outlay, as well as a levelized appropriation (i.e., an equal dollar allocation each fiscal year), prevents excessive costs in any one budget year.

Said capital outlay appropriations proposed in the 2023-2024 budget meet at least one of the following criteria:

- Helps to maintain the current level of service (through replacement primarily);
- Updates equipment/service standards and needs; and/or
- Increases productivity in the work assignment areas.

The following capital outlay items proposed in the FY 2023-2024 budget are as follows:

- | | |
|---|-----------|
| • Police Department - Administration | |
| - 7 Police Cruisers and 1 Canine Vehicle (replacements) | \$431,000 |
| • Street Department | |
| - 1 Truck (replacement) | 40,000 |
| - 1 Salt Sand Spreader (replacement) | 6,200 |
| - Guardrail (replacement) | 10,000 |
| • Traffic Control | |
| - 1 Truck (replacement) | 40,000 |
| • General Recreation | |
| - Mower (replacement bush-hog) | 13,000 |
| - 1 Truck (replacement) | 40,000 |

Debt Service

There are several appropriations included in the FY 2023-2024 General Fund to retire existing debt (principal and interest) as follows:

- Police Department Administration (\$91,330): Tasers financed over 5 years.
- Fire Department (\$106,917): Fire Engine
- Street Department (\$35,220): Street Sweeper

Transfers to Other Funds

Several appropriations are included in the FY 2023-2024 General Fund for transfer to “Other” City Funds for the purpose of providing dollars to pay debt or other specific uses. These transfers are enumerated as follows:

- Transfer of \$1,401,000 from the General Fund to the Debt Service Fund to pay off the City’s annual debt on the various notes and bonds (including the \$10 million bond transacted in 2022) for infrastructure projects.
- Transfer of \$5,557,478 from the General Fund to the Economic Development/Border Region Fund to disburse annual financial incentive payments to businesses with development agreements with the City of East Ridge.
- Transfer of \$2,279,613 from the General Fund to the Capital Improvement Fund. These funds are the balance left from the Total Border Region Sales Tax Dollars received from the State of Tennessee less the annual payments to the businesses with development agreements with the City **and** less the transfer of funds to the debt service.

SPECIAL FUNDS
STATE STREET AID FUND

The State Street Aid Fund is a special fund established to account for and report financial resources received by the State of Tennessee in the form of the (1) State gas and motor fuel tax and (2) State Transportation Improvement Program grant. The State Petroleum and alternative fuel revenues which the City receives are from the gasoline tax (27.4 cents per gallon), the diesel tax (28.4 cents per gallon), the liquified gas tax (22 cents per gallon), and the natural gas tax (21 cents per gallon).

The fund balance for the end of FY 2022-2023 is projected to be \$1,474,849 (unaudited), and added to the anticipated revenue for FY 2023-2024 of \$1,445,000 (\$570,000 from the State gas and motor fuel tax), the Fund would total a projected revenue stream of \$2,919,949. These funds are restricted in that they can only be used for street related costs and public improvements as street reconstruction/resurfacing, curbs, sidewalks, and drainage.

The major appropriations proposed in the State Street Aid Fund for FY 2023-2024 include: street lighting (\$225,000); traffic signal repairs (\$30,000); John Ross Road resurfacing (City share of \$541,238); McBrien Road resurfacing (City share of \$315,711); and street paving/maintenance (\$1,778,000).

GRANT FUND

The Grant Fund is a special fund established to account for and report financial resources for grants approved and received by the City from Federal, State, and County governmental entities for designated projects and/or programs. The fund balance for the end of FY 2022-2023 is projected to be \$8,000 (unaudited), and added to the anticipated revenue for FY 2023-2024, the expected revenue from grants for FY 2023-2024 would be \$210,000. Should any of the project grant applications filed by the City be approved for full or partial funding then the grant and the amount will be added to the revenue side.

The appropriations proposed in the Grant Fund for FY 2023-2024 include: aquatic clean stream project, driver safety, police traffic services, and violent crime intervention.

DRUG INVESTIGATION FUND

The Drug Investigation Fund is a special, restrictive fund established to account for and report financial resources received from Federal/State grants, seizures and awards from the Court, Department of Justice forfeitures, drug fines, and sale of confiscated property. The anticipated revenues for FY 2023-2024 total \$67,000.

The appropriations proposed in the Drug Fund for FY 2023-2024 include: education/training, clothing/uniforms, operating supplies and equipment, and machinery and equipment.

ECONOMIC DEVELOPMENT FUND

The Economic Development Fund is a special fund to account for and report the financial activity of the Border Region Redevelopment District as it relates to the sales taxes generated within the boundaries of the District. The incremental state sales tax revenues anticipated to be returned from the State to the City in FY 2023-2024 compute to a total of \$9,304,398. Of that amount deposited in the General Fund, the amount of \$395,787 remains and \$2,279,613 is transferred to the Capital Improvement Fund; thus, the balance of \$6,628,998 is designated to the Economic Development Fund.

The appropriations proposed in the Economic Development Fund for FY 2023-2024 include: a transfer to the City's Industrial Development Board to pay the financial incentives to businesses per the development agreements with the City (\$5,557,478); and a transfer to the Debt Service Fund to pay the bonded indebtedness on infrastructure projects (\$1,071,520).

SOLID WASTE MANAGEMENT FUND

The Solid Waste Management Fund is a special fund established to account for the fees and expenses associated with garbage/refuse collection and disposal services for City residents.

The budget for this Fund anticipates revenue streams including: sanitation assessment fees (\$1,629,279), dumpster rentals, sale of mulch, and refuse/disposal charges. The Fund projects total revenue for FY 2023-2024 of \$1,640,979. The existing fee (\$180 per year) is sufficient to meet all operating and capital expenditures in the coming year; however, thought should be given to increasing the assessment fees \$1 to \$1.50 per month next fiscal year to cover the expenses of recycling services and replacement refuse trucks.

The expenditures to operate the Refuse Department include personnel costs (\$833,019); landfill fees (\$275,000); and contractual/operating expenses (\$532,960). The purchase of a new side loader truck (replacement) was ordered in April 2023 since there is a 30-36 month lead time in delivery to the City. The prepayment amount (50%) on the truck came from the Sanitation Fund-Fund Balance. The balance due will need to be allocated in the FY 2025-2026 budget.

DEBT SERVICE FUND

The Debt Service Fund is a special fund established to account for and report financial resources that are restricted or committed to the expenditure of principle and interest on long-term general obligation (GO) debt.

The hotel/motel tax anticipated for collection in FY 2023-2024 (\$713,774), along with interest income and transfers in from the General Fund (\$1,401,000), provides total revenues of \$2,519,761.

The debt service revenue pays the annual principle and interest toward the following outstanding debt: Camp Jordan Park Phase Two Project Bond Issue (upgrade and add 4 soccer fields); Refunding Bond Issue 2021 (refinancing a half dozen bond issues/notes); Multi Capital Projects Bond issue 2022 (N. Mack Smith Road reconstruction and Ringgold Road Multi-Modal drainage); Exit 1 General Obligation Bond 2017 (I-75 and Ringgold Road reconstruction project and Camp Jordan Parkway construction project); Motorola Lease Note (In-car cameras); and Public Safety Note (Fire Truck).

CAPITAL IMPROVEMENTS PROGRAM (CIP) FUND

The Capital Improvements Program (CIP) Fund is used to account for and report the proceeds of specific revenue sources that are restricted or committed to the expenditure for specified purposes.

The anticipated revenue streams for FY 2023-2024 for the CIP Fund include the fund balance for the TDOT Multi-Modal Project (\$3,000,000), the 2022 GO Bond Issue proceeds (\$7,000,000), an appropriation from Hamilton County for N. Mack Smith Road reconstruction project (\$1,000,000), and a transfer in from the General Fund-Border Region Sales Tax proceeds (\$2,279,613). Thus, the Fund would total a projected revenue of \$13,279,613.

The appropriations proposed in the Capital Improvements Program Fund for FY 2023-2024 include the following: upgrades to various City buildings (\$500,000); Ringgold Road Multi-Modal project (\$4,000,000); N. Mack Smith reconstruction project (\$4,850,000); resurfacing of City owned parking lots (\$500,000); the construction of an Animal Shelter (\$1,600,000); the installation of an above ground fuel tank for public safety vehicles (\$125,000); an appropriation to fund the façade grant program for businesses (\$50,000); and an undesignated allocation for CIP projects identified throughout the fiscal year (\$1,654,613).

AMERICAN RESCUE PLAN FUND

The American Rescue Plan Fund (ARPA) is used to account for and report the proceeds of the Federal grant allocations made to the City of East Ridge. The first round of appropriations of approximately \$3.1 million was made in FY 2021-2022. The second round of appropriations of approximately \$3.1 million was made in FY 2022-2023. These funds are to be spent by the end of the 2026 calendar year; therefore, it is incumbent upon the City to do so.

The fund balance of the FY 2021-2022 ARPA allocation stands at around \$1 million, and adding the second round of ARPA funds of approximately \$3.1 million, yields a total revenue stream of \$4,142,192.

The appropriations proposed in the ARPA Fund for FY 2023-2024 include drainage improvements for the Ringgold Road Multi-Modal project and the N. Mack Smith road widening project.

CONCLUSION

In conclusion, the program outlined in the pages of this budget document for fiscal year 2023-2024 are attainable, reasonable, and worthy of your consideration. My sincere appreciation goes to all the Department Heads/Staff for their efforts put forth in composing their respective departmental budget(s); especially to Diane Qualls who assisted tremendously in the entire budgetary process and other special funds.
