The City of East Ridge hereby gives notice of a Public Hearing to be held at 7:30pm EST on Thursday, September 24, 2020, at the East Ridge Community Center located at 1515 Tombras Ave, East Ridge, TN 37412.

The purpose of the Public Hearing is to receive input from the public concerning a proposed conversion process which could result in a portion of Camp Jordan (6.6 acres) being converted and leased for the construction and development of a first-class soccer training facility.

The conversion process is necessary because the park land in question was improved using funds from the City's Land & Water Conservation Fund Grant.

This hearing is open to the public and all interest parties are encouraged to attend.

Please note that the Public Hearing will be conducted in accordance with the guidelines and protocols promulgated by the Centers for Disease Control and Prevention and social distancing requirements will be observed at all times during and throughout the meeting.
