

ADDENDUM NO. 1

**STREET IMPROVEMENTS
CONTRACT NUMBER 20-0081-22**

Please be advised of the following Addendum No. 1 for the above project:

QUESTION:

Good morning,

While we were examining the documents for the project above we noticed the following specification sections are missing per the Table of Contents:

- 00009 Request for Bidder information
- 00300 Bid Proposal
- 00441 Affidavit of Non Collusion by Subcontractor
- 00601 Payment Bond

Were these left out intentionally?

Thanks,

RESPONSE:

The aforementioned documents were inadvertently omitted from the bid documents. The bid book has been revised to include the omitted documents and has been uploaded to the City's website.
