Vice Mayor Chauncey had nothing at this time.

- April 9-10, 2022 – Bug-a-palüza at Camp Jordan.

Communication from City Manager:

- Sanitation has finally finished the second sweep of leaf pick-up. We are done but we will pick up bags of leaves.
- Political signs close to corners are in the right-of-way. Codes will look at and get in touch with candidates.
- We are waiting for TDEC for final survey of the playground, but it should be open within a week or so. There are a few more things to do on the splashpad. We have had trouble with some people going over the construction fence into the playground.
- The dog park fences are up, concrete has been poured, benches have been installed and water lines are in. We are close to a soft opening. It could be May or June.
- We met with representatives from Candlewood Suites, and they are ready to start construction. There is an issue about McDonald Road regarding a closure that was done in the 1970's. The developers of the Candlewood would like to get this property abandoned in order to allow for additional parking.

The Mayor asked if all the equipment for the dog park will come in at the same time or at different times. The City Manager stated they will all come in basically at the same time. Interim Parks and Recreation Director Skiles stated the equipment should start coming in around the middle of June.

The Mayor asked at what point could we get TDOT involved in paving the aprons on the intersections of Tombras and McBrien. Councilmember Helton stated she would be happy to call TDOT.

Councilmember Cagle asked Interim Parks and Recreation Director Skiles if there would be camping at Bug-a-Palüza. She stated there would be in designated spots and tent camping in the primitive camping area. Showers will be open.

William Lane, 1025 S. Seminole Drive, stated he was previously opposed but was told by Kenny Custer with Asa Engineering, that the entrance could probably be moved to the other side of the property. The owners have agreed to move the entrance and exit 50 feet toward Ringgold Road.

James Citty, 100 S. Seminole, is opposed to the rezoning because of stormwater runoff and traffic. Mr. Citty presented pictures of traffic during rush hour.

Charles McCullough, 1214 Reeves Avenue, discussed flooding and traffic concerns.

ORDINANCE NO. 1160 – AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF EAST RIDGE, TENNESSEE, TO AMEND THE ZONING REGULATIONS AND THE ZONING MAP OF THE CITY OF EAST RIDGE, TENNESSEE SO AS TO REZONE THE PROPERTIES LOCATED AT 1023 SOUTH SEMINOLE DRIVE, CURRENTLY ZONED R-1 RESIDENTIAL DISTRICT, AND AN UNADDRESSED PROPERTY IN THE 3000 BLOCK OF RINGGOLD ROAD, CURRENTLY ZONED O-1 OFFICE DISTRICT AND C-2 GENERAL COMMERCIAL DISTRICT, TAX MAP #156N-F-015.02 AND 016, TO R-3 APARTMENT DISTRICT (1st reading) - City Attorney Litchford read on caption. Chief Building Official Howell stated, if approved, this would be three stand-alone buildings with 138 parking spaces. The Planning Commission approved this request. The traffic study showed a slight delay during am and pm hours, but we could add three seconds to the left arrow. There could be a possible emergency egress on Ringgold Road. Councilmember Cagle made a motion to deny stating the unaddressed property on Ringgold Road is the wrong piece of property for rezoning. He also stated there have been no changes since this was denied by Council in 2018 other than the reduction in the number of units from 80 to 72. Councilmember Witt seconded the motion for discussion purposes.

Kenny Custer, Asa Engineering, 714 Cherry St., came forward representing the applicant. Ms. Witt asked what is different in this presentation now from what was presented in 2018. Mr. Custer stated we are living in a different economy where more people are going to apartment living, because of property maintenance, etc. Mr. Custer also stated that a developer will have a plan to fix the drainage but will not do so until the project is approved.

Allen Jones, Asa Engineering, stated they would probably do underground storage of stormwater and the flow has to be the same or better. Mr. Custer stated this would be a gated community.

Mr. Jones stated as far as Mr. Cagle's comments about the address, that we go by the Hamilton County GIS and tax map numbers. Mr. Howell stated in 2009, the parcel was designated as 3118, but on the 2021 tax map it was no longer designated as that address, and it no longer applies.

Councilmember Helton made a motion, seconded by Vice Mayor Chauncey, to table this item until the March 24th meeting in order to have a community meeting.

PUBLIC HEARING FOR ORDINANCE NO. 1161 - Rezone 1503 and 1509 McDonald Road - City Attorney Litchford read on caption. Mayor Williams opened the public hearing. Kenny Custer, Asa Engineering, 714 Cherry Street, Chattanooga, TN, stated this is currently the Waverly Motel. This is a proposal to downzone to manufacturing and warehouse. One major concern was outdoor storage of boats, RVs, etc. After speaking with the owner, they are willing to add a condition to the rezoning that will not allow outdoor storage. All buildings would face toward the inside corridor. Allen Jones, Asa Engineering, stated this would not be a high-traffic use. No one else came forward in favor of or in opposition to the rezoning. The Mayor closed the public hearing.

ORDINANCE NO. 1161 – AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF EAST RIDGE, TENNESSEE, TO AMEND THE ZONING REGULATIONS AND THE ZONING MAP OF THE CITY OF EAST RIDGE, TENNESSEE SO AS TO REZONE THE PROPERTY LOCATED AT 1503 MCDONALD ROAD, TAX MAP #169L-M-019 AND 1509 MCDONALD ROAD, TAX MAP #169M-H-018, FROM C-1 TOURISM COMMERCIAL DISTRICT AND C-2 GENERAL COMMERCIAL DISTRICT TO M-2 WAREHOUSE AND WHOLESALE DISTRICT (1st reading) - City Attorney Litchford read on caption. Chief Building Official Howell stated this will be a 2-story climate-controlled storage facility. The Planning Commission approved the request for rezoning. Councilmember Helton made a motion to approve Ordinance No. 1161. Vice Mayor Chauncey seconded the motion but would like to add two stipulations requiring that there be only indoor storage and they would have to adhere to the current architectural design standards. Mr. Litchford stated we need a second on the original motion before we add amendments. Mr. Chauncey changed his second to approve the original motion. Mr. Chauncey then made a motion to amend the original motion that only indoor storage would be allowed, and the developer would have to adhere to the current architectural design standards. Councilmember Cagle seconded the motion.

Roll call vote on the amendment: Vice Mayor Chauncey - yes; Councilmember Cagle - yes; Councilmember Helton - no; Councilmember Witt - no; Mayor Williams - no. Motion denied.

He is presenting two versions of an ordinance tonight as follows:

Discussion of N. Mack Smith Road enhancements – City Manager Dorsey stated he met with Jeff Sikes, Asa Engineering and Steve Meyer, Traffic Consultant to discuss the options for this project. Mr. Dorsey is presenting three options:

- Option 1 is a 4-lane with a median/turn lane. Total cost is \$2,009,421. Councilmember Witt asked how close the right-of-way is to the front door of the Cracker Barrel. Jeff Sikes, Asa Engineering, stated it will get into the grassy area but not into the parking area. Mr. Cagle asked if the City would have to buy part of the senior apartment property as right-of-way. Mr. Sikes stated that has yet to be determined. Mayor Williams asked if this total includes right-of-way purchase. Mr. Sikes stated it does not include right-of-way purchase or cost to move the utilities.
- Option 2 is a 4-lane with 2 lanes in each direction and no turn lane. Mayor Williams stated that no turn lane would disrupt traffic flow and impact existing businesses and people going in and out of the new development.
- Option 3 is a 2-lane with one lane in each direction and a center turn lane. If traffic increases, we could add extra lanes later. Mr. Sikes stated if widened later, the storm drain, curb and gutter would have to be moved. Cost of option 3 is \$1,823,000.

Vice Mayor Chauncey believes that Option 1 would be best. Mayor Williams believes Option 1 would benefit existing businesses and the new development. Councilmember Cagle would like to have a workshop on this project. The Mayor stated this would be a Border Region expense.

ZONING

- ZONING HISTORY**
- Case 2006-0023 was a request to rezone one of the parcels (3118 Ringgold Rd.) included in this request to R-3 Residential Apartment District for an apartment complex. The Planning Commission approved the staff recommendation which was to “approve, subject to a maximum of 10 units as shown on site plan.” The East Ridge City Council denied the case due to having an issue with zoning a property from commercial to residential.
 - Case 2018-0097, a request to rezone these parcels from O-1, C-2, and R-1 to R-3 Residential Apartment District for an apartment complex with 80 units. The request was denied by East Ridge City Council through ordinance #1080.

CONCERNS REGARDING LOCATION, LIGHTING, OR HEIGHT

The introduction of multi-family development in this area may cause negative impacts on adjacent residences, specifically related to increased parking, traffic, and on-site lighting. If the application is approved, conditions related to landscaping, parking, and lighting may need to be considered. The following conditions of restricting access to Ringgold Road, number of units, increased landscaping against residences, and dumpster location may need to be considered.

COMPATIBILITY WITH COMPREHENSIVE PLAN

The Hamilton County Comprehensive Plan's Development Policy Identifies these parcels as falling within Development Intensity Level 5. Level 5 areas are considered areas that have a high road network density and are in close proximity to a major road intersection, and have the most potential for infill and redevelopment that is urban, walkable, and the most potential for future public services and facilities. Yes No See Comments

COMPATIBILITY WITH ADJACENT LAND USES

The parcels are both currently zoned for commercial uses but are surrounded by single-family residential uses to the east, west, and south. Parcels to the north contain existing commercial uses and abut a major roadway. The proposed M-3 Warehouse and Wholesale district will limit uses to warehouse and office uses only, which will not introduce more intense uses into the area.

Yes No See Comments

COMPATIBILITY WITH DEVELOPMENT FORM

The surrounding development form is single-family, one-story cottages to the south, east, and west with commercial development leading up to the intersection of McDonald and Ringgold Road. The commercial strip extends along Ringgold Road.

Yes No See Comments

CONCERNS REGARDING LOCATION, LIGHTING, OR HEIGHT

The proposed zoning change to M-3 Warehouse and Wholesale district will limit allowable uses compared to the current zoning. This will limit the possibility of nuisance issues. The proposed development should follow site design and development standards required by East Ridge, which will likely require landscape buffering, etc.

RE: Budget Amendment

At the last meeting, Council approved the purchase of a police vehicle to be paid for using funds from the General Fund along with insurance proceeds.

Council also approve purchasing a truck for the Street Department using funds from the State Street Aid Fund. During the budget process both the State Street Aid Fund and the Solid Waste Fund were approved with more revenues being collected than expenses. Due to the budget not being balanced, I did not show any increase to the revenues. State Street Aid as of 06/30/2021 has a fund balance of \$1,376,655.

Solid Waste Fund did not change during this process. Two trucks are on order, and we hope to have them in a few months.

To Whom It May Concern:

As my first year as principal of East Ridge High School, one of my goals has been to uplift and build a climate and culture of support and engagement at the high school level. I have proudly served East Ridge schools for the last thirteen years. It has indeed been an excellent opportunity to empower the fantastic educators by sharing the history and pioneering spirit I have experienced in this community my entire career. I am lucky enough to now support teachers at a level where they are preparing students for their future pathways and creating opportunities for a group of students hungry for a chance to be successful and eager to leave their mark.

The hard work our staff, and teachers do every day is only possible by the amazing individuals who go above and beyond every day to ensure that students are engaged, safe, and supported. While I would love to shower my staff with all the tangible rewards and accolades they deserve, I am limited on the amount and kind of accounts I can use for staff incentives like buying them lunch or snacks as a thank you. I want to use the \$500 to put it towards our faculty and staff incentives or sponsor a meal during the upcoming Teacher Appreciation celebration. I believe that your kind donation would be a welcomed surprise that would put a smile on the face of some of the most hardworking and passionate individuals I have had the honor of working alongside.

I hope you see this as a valuable and worthy cause to pour into our staff and faculty. We thank you for the service and mindful decision-making you go through in your roles. Your leadership and courage continue to allow the East Ridge community to thrive and keep the Pioneer spirit going so that we can continue to do our job. Please feel free to contact me if you have any additional questions and THANK YOU for this opportunity!

Go, Pioneers!
