# THINK BE CAREFUL

- Always wear gloves 
- Be careful on river banks, slopes and rocky areas
  - Wear life jackets on boats! 
  - Ask for help lifting heavy objects 
    - Work in pairs or groups!
-  Notify zone captain of chemicals (drums) or medical excess
  - Be Careful of sharp objects 
  - Watch for poison ivy 
  -  snakes and bees 
  - Do Not try to Rescue Wildlife
- Be careful near piles of vegetated areas
  - Report any injury to Zone Captain
