

LEAF SEASON

Leaf Pickup began November 7th on the west end of East Ridge, on both the north and south sides of Ringgold Road, and will continue to early spring. Trucks will be going from west to east toward Interstate 75 for pick up. Leaves are picked up every day unless there is maintenance needed on any of the vehicles. Pickup on holiday weeks is limited. You may rake your leaves to the edge of your yard to be vacuumed up, or you may bag your leaves. Please do not place leaves in the road. It could be a traffic hazard. Please do not rake leaves in drainage ditches, or include rocks, sticks, or other debris in leaf piles. Leaf collection will not be collected on the same day or in the same manner as brush collection. Please be patient; we will get to all areas as soon as we possibly can.
